LAX Airport Knowledge

Are you familiar with Los Angeles International Airport and its Fix Base Operations (FBO) facilities,

Yes

No

If yes to the above question, when was the last time you visited LAX

Are you familiar with Van Nuys Airport (VNY) and its FBO facilities?

A Fixed Base Operator (FBO) for private jets is a service provider located at an airport that offers a wide range of services for private and corporate aircraft. These services typically include fueling, aircraft maintenance, hangar storage, concierge services, crew amenities, catering, ground transportation, and passenger services like customs and immigration assistance. Essentially, an FBO serves as a one-stop destination for private jet operators and their passengers, providing everything they need for a smooth and comfortable flight experience.

Yes

No

In your own words answer this question

Can you consecutively drive up to 11 hours per day for five days if we give you advance notice?
